## **INTENSIVE PRAISE, WORSHIP AND THANKSGIVING**

**Text: Psalms 124**

If God had not been on our side for the past six months in this year; we could have been thirsty with no water to drink. We could have desired to get warmed with no coverings available. We could have entered into trouble and found no one to help. We could have lifted our hands and found them withered. Opened our eyes and be totally blanked. Our mouths could have been opened with inability to voice a sentence. We could have travelled and landed in the Mortuary. Perhaps, we could have joined the congregation of the dead walking aimlessly on the streets of our towns and cities naked. We could have prepared the most delicious meal but lost appetite not because we don't feel like eating but finding it difficult to eat. We could have been dead in our sins and landed in hell! Let's appreciate God therefore with all seriousness.
